

## CALL FOR PROPOSALS

### SSRIC Stipends Available for ICPSR Summer Program Deadline March 18, 2024

Dear CSU Colleagues,

The CSU Social Science Research and Instructional Council (SSRIC) is offering stipends for CSU faculty members to register for quantitative methods courses in the [2024 Summer Program](#) presented by the Inter-University Consortium for Political and Social Research (ICPSR). The workshops are in a hybrid format whereby participants can attend in-person, online via Zoom, or asynchronously by watching the recorded Zoom sessions.

Visit the [ICPSR Topical Courses](#) to review the available offerings.

Each stipend will cover the course registration fee for a topical course. Stipend awardees' registration fees will be paid directly to ICPSR by SSRIC. Stipends cannot be used for expenses other than workshop registration fees.

In allocating stipends, priority will be given to faculty from CSU campuses with active SSRIC subscriptions. Successful applicants will demonstrate how their attendance at the Summer Program will enhance both the teaching and research missions of the CSU. Scholars who have already registered for the 2024 Summer Program are welcome to apply for the stipend.

#### Application deadline

**The application deadline is Monday March 18, 2024.** We will continue to accept applications after that date if funds remain. SSRIC will notify applicants who apply before the deadline whether they will be awarded a stipend on Monday, March 25, 2024.

#### How to apply for a stipend

The application form is at <https://tinyurl.com/SSRIC-ICPSR-Summer-2024>

You will be asked to provide the following information:

1. Your name and affiliation

3. The course [registration fee](#) (Fees & Discounts) for attendees (please enter the “ICPSR member” fee)
