

# SSRIC Stipends Available for ICPSR Summer Program

The CSU Social Science Research and Instructional Council (SSRIC) is offering stipends for CSU faculty members to register for quantitative methods courses in the 2025 Summer Program presented by the Inter -University Consortium for Political and Social Research (ICPSR).

Each stipend will cover the course registration fee for a **topical** course. Stipend awardees' registration fees will be paid directly to ICPSR by SSRIC. Stipends *cannot* be used for expenses other than workshop registration fees.

Applicants will be notified of the committee's decision in late March.
